Abby Ostlund selected for first annual 40 Under 40 class.

Eden Prairie, Minn — September 1, 2021 — E.A. Sween Company is proud to announce Abby Ostlund, marketing manager, is among those selected for Automatic Merchandiser's 40 Under 40 Class of 2021.

The first annual award recognizes individuals, nominated by their peers, who contribute to their company or organization. Nominees across all industry segments, from operators to brokers, product or equipment distributors to machine manufacturers, and more, are included in the 2021 class.

“Abby deserves this recognition. Her industry and product knowledge allow E.A. Sween Company to continue to expand product lines, including the recent line extensions for Market Artisan and Market Sandwich Hot-to-Go,” said Melissa Hanson, director of marketing. “We’re lucky to have Abby as part of our team!”

For nearly four years Ostlund has helped to guide the marketing and innovation efforts for the Deli Express and Market Sandwich brands for E.A. Sween Company.

“I’m honored to not only be nominated but to be named to the first 40 under 40 class,” said Ostlund. “2021 was an exciting year for E.A. Sween and 2022 is looking to be the same.”
