E.A. Sween Company Named Supply Chain Partner of the Year

Amid tough supply chain conditions, E.A. Sween wins top honors with Vistar

Eden Prairie, Minn — October 25, 2021 — E.A. Sween Company is the Vistar 2021 Supply Chain Partner of the Year. This award recognizes the best-in-class manufacturer in supply chain and logistics.

“The last 18-months have presented many challenges, but we’ve been fortunate in overcoming challenges and capturing opportunity,” said Rod Burk, national sales manager of vending, E.A. Sween Company. “It’s wonderful to be honored by Vistar. We appreciate their partnership and look forward to continuing our successful partnership in 2022.”

E.A. Sween was nominated for two additional awards: The Committed to Growth Award, and Burk was nominated for Sales Representative of the Year.

Lara Gallistel, vice president sales C-Store / Vending, praised Burk’s individual nomination saying, “Rod’s nomination as Sales Representative of the Year is a true statement to his focus and dedication to supporting our partners.”

Vistar is a division of Performance Food Group. To learn more about Vistar, visit their website at www.vistar.com.
